25 Jan. 2011

Dear Colleagues,

It is our pleasure to extend to you this warm invitation for Three days UGC sponsored National Seminar on "Advances in Pharmaceutical Research" at University Institute of Pharmacy, Pt Ravishankar Shukla University, Raipur on 28-30 January, 2011.

The scientific sessions during seminar will be addressed by renowned experts of the field which will definitely be knowledge enriching for pharmaceutical community of the state. The interaction session will provide a new platform to young pharma academicians to touch new horizon of pharmaceutical research.

The theme of seminar is selected with a view to explore newer dimensions of pharmaceutical research. Hence we are expecting your contribution in encouraging and enthusing participation from your institution. The success of this knowledge fair will surely boost up the confidence of budding pharmacist and will lead to a new mile stone in pharma field.

We look forward to learning and benefiting from your presence and experience in our shared quest for excellence. Therefore, we are delighted to personally invite you to join this Seminar, to shape and drive our futures.

Dr. Deependra Singh

Convener
